

Crowning Conclusion at the FSA Bike Festival Riva del Garda

After the lively Open Night party on the festival grounds and the subsequent anniversary celebration at Spiaggia degli Olivi, visitors had once again the opportunity to explore the latest offerings from over 200 exhibitors and 400 brands on Sunday, May 5, 2024.

Additionally, on the final day of the festival, all eyes were on the next generation: With the best festival weather, 450 young bikers from the years 2010 to 2021 participated in the Scott Junior Trophy at Parco Miralago. Depending on their age, the course length ranged from 250 meters to 3.5 kilometers. The race on the circuit was a true spectacle for both the young participants and the spectators, emphasizing fun above all. At the finish line, the young bikers were greeted by proud parents and received a finisher medal - at the Scott Junior Trophy, everyone is a winner.

The overall feedback was consistently positive: With massive attendance and a total of 2,500 participants in races and challenges, the FSA Bike Festival Riva del Garda 2024 was a resounding success. The date for next year is already set: In 2025, the legendary Bike Festival in Riva del Garda will take place from May 1st to May 4th and is expected to attract tens of thousands of visitors from across Europe.

"We are very pleased with the 30th anniversary of the Bike Festival here in Riva del Garda. The feedback from the visitors, sponsors, exhibitors, and participants has been consistently positive, which reinforces our commitment to continuously evolve the Bike Festival and to reaffirm our position as one of the largest mountain bike events in Europe," expressed Oskar Schwazer, General Manager of Garda Trentino DMO, thoroughly satisfied with the anniversary edition of the FSA Bike Festival Riva del Garda.
